Thousands of years ago, the ancient Egyptians created an amazing invention called the loom, which helped them make clothes, blankets and beautiful fabrics from linen. Before building a loom, an engineer or skilled worker who was trained in crafting tools, would draw a blueprint to show the size, shape, and parts needed. Then, the workers would assemble the wooden pieces carefully so the loom could work well. Today, this ancient invention still inspires modern machines that make our clothes.

Subject: My helpful gadget

Dear Nada,

How are you? I want to tell you about my helpful gadget. It is my smartphone. It helps me stay connected with my family and friends. I use it to set reminders, check the weather, and search for information. It also lets me listen to music and take clear photos. This small device makes my daily tasks easier. It helps me stay organized wherever I go.

Yours,

Sara
