سؤال البراجراف و الايميل

"What helps us to learn" ما يساعدنا على التعلم

Here are some suggestions to help you learn. When you read a text, it is useful to underline new words or highlight them. You can remind yourself of tricky spelling words by linking them to other words. For example, to remember the difference between desert and dessert, you can tell yourself that dessert has two "s" letters, so it reminds of sweet strawberry desserts! Sweet strawberry begins with two "s" letters like the word dessert.

"Helping my community" مساعدة مجتمعى

Last summer, I volunteered at a local animal volunteer program. I helped clean the monkey enclosure and feed the animals. I helped make a cleaner and happier environment for the animals. By the end of the summer, I felt proud because I learned a lot about animal care, and made new friends. I also learned the importance of helping others and the joy of giving back to the community. It was a truly amazing experience.

"Types of friends" انواع الاصدقاء

A real friend is someone who is always there for you. They help you, and make you feel good about yourself. They make you feel included. A fake friend, on the other hand, is someone who cares about themselves. They are interested in you when they like. They try to make you feel bad about yourself. It's important to know difference between a real friend and a fake friend. A real friend is a treasure, and you must keep them.

"The internet" الانترنت

The internet have pros and cons. On one hand, it helps us learn new things, talk to friends, and do our work. It also helps us get a lot of information. On the other hand, some people can be addicted to going online, and spend most of their time on social media. It also has a lot of wrong information. It's important not to share personal information. We should also be aware of fake news and only trust reliable sources.

Mr. Abram Thabet

"Your last vacation" اجازتك الماضية

"A day out" يوم بالخارج

Last summer, I went on vacation to Marsa Matrouh with my family. We stayed for a day in a beautiful beach house. In the morning, we enjoyed a delicious breakfast. During the day, we swam in the sea and collected seashells. We went on a boat tour and saw dolphins jumping out of the water. In the evening, we watched beautiful sunsets and had barbecued on the beach. My favorite part of the vacation was spending time with my family and relaxing by the sea. It was a wonderful vacation.

"The impact of AI in our daily life"

تاثير الذكاء الاصطناعى على حياتنا اليومية

AI is a type of technology. It has a massive impact on our daily life. It helps computer systems to do tasks that usually only humans can do. If you shop online, AI remembers what you like to buy. If you watch a lot of science fiction movies, the streaming platform shows you suggestions for other science fiction movies to watch. Some people think that AI encourages us to spend more time online. But AI can also make learning fun and make our lives easier.

"Clean transportation" وسائل مواصلات نظيفة

Transportation is very important for all of us. It helps us move from one place to another. But transportation can cause many problems like air pollution. Driving cars is bad for the environment. Vehicles that don't use clean fuel damage the environment. Using clean transportation can help us protect the environment. Our vehicles need to be electric .Carpooling is also a good idea. It can reduce the number of cars on the roads

"Sustainable tourism" السياحة المستدامة

Sustainable tourism is important as it helps protect nature and supports local people. It means travelling in ways that don't harm the environment and help the communities in tourist areas. It also helps save resources like water and forests. When travelers choose sustainable tourism, they reduce their impact on the planet, and local people get more jobs. Everyone can help by making simple, smart choices when planning their trips
