A review of your visit to the Museum of Modern Egyptian Art

مقال نقدي عن زيارتك لمتحف الفن المصري الحديث

Last month, I visited the Egyptian Museum of Modern Art in Cairo. Egypt is famous for its ancient art. I am interested in seeing art by Egyptians from the 20th and 21st centuries. From my point of view, the artists were really good because they showed what life was like in Egypt in the past and now. There were portraits of both important and normal Egyptian people. I thought the cartoons were also really cool! I also saw lots of sculptures. My favourite thing in the museum was a painting called Al Madina by Mahmoud Said. It made me feel happy because it was very colourful. The best thing about the museum is that it is free to visit! I recommend visiting it if you are in Cairo.

A review of a film you have just watched مقال نقدي عن فيلم شاهدته للتو

I watched a film called "Jurassic World". It is an adventure film. The stars of the film are Chris Pratt and Bryce Dallas Howard. It is about a theme park where scientists have helped dinosaurs to live again! Then some of the dinosaurs escaped. I thought the action was exciting and my favourite thing was the scary dinosaurs; they look very real. But, in my opinion the story isn't very interesting or new. I recommend this film if you like exciting and scary films.
