سؤال الجراف

"Ancient Egyptian artifacts" قطع اثرية مصرية قديمة

We have so many artifacts. One reason is the climate. We have a hot, dry climate here in Egypt, so artifacts aren't damaged by cold and wet weather. This helps to preserve them. The Ancient Egyptians also knew that certain materials could last a long time, so they built the Pyramids with granite.

"Animals in Ancient Egypt" الحيوانات في مصر القديمة

The Ancient Egyptians loved animals and kept many as pets. They adored cats. There was a cat in almost every house. They believed that cats looked after them and kept them safe. They were good pets because they cleaned themselves and kept the houses free of pests like rats and snakes.

"My favorite toy" لعبتي المفضلة

My favorite toy was my skateboard. I loved going to the park and playing with my friends. They had skateboards, too. We all wanted to go so fast! My skateboard was black, with yellow stickers on it. I had to wear and knee pads. It hurts if you fall off a skateboard! I got my first skateboard when I was eight, and it was small. I don't use it now, because I have a bigger one.

"My favorite story" قصتي المفضلة

My favorite story is one of Goha's stories. It was about a man who goes to the market with his son and a donkey. They take turns riding the donkey. When the boy rides, the people say he should let his father ride. When the man rides, they say that he should let his son have a turn. Then, they say the donkey must be tired. So, in the ending, they both carry the donkey.

"A day on the beach" يوم على الشاطئ

The beach near our house was beautiful. I loved to go there with my parents. We swam, surfed, and played games on the sand. One day, we were swimming when I saw a glass bottle in the water. "Look, dad," I said. "Let's put it in the trash." "I have a better idea," said dad. "Let's write a message in a bottle". I wrote the message. The next day, I threw it into the sea.

"Eco-tourism" السياحة البيئية

Tourism is important but eco-tourism is becoming very popular, too. Eco-tourism is a way of traveling that doesn't damage the environment. It's more sustainable than traditional tourism, and it is designed to protect nature. People stay in simple accommodation, not large hotels. They mustn't travel in ways that cause lots of pollution.
