### Question 08

write a paragraph of FIFTY words using the following guide elements

1

#### Ancient Egyptian artifacts

climate - granite

We have so many artifacts in Egypt. Egypt has a hot, dry climate. It is good for preserving these artifacts. They aren't damaged by cold and wet weather. The Ancient Egyptians made the pyramids from granite. It is a very hard and durable stone. It could last a long time.

2

Your favorite story

setting – characters

I am Jana. I am in junior 6. I like reading and listening to stories. I love Goha's stories because his stories are funny and clever. My favorite story is Goha and the Donkey. The setting is the countryside, many years ago. The characters are the man, his son and the donkey. They take turn riding the donkey, but the people weren't happy with anyone riding the donkey. The moral is that you can't make everyone happy.

3

Animals in Ancient Egyptcats - grain

The Ancient Egyptians loved animals and kept many as pets. They particularly adored cats, and there was a cat in almost every house. The Ancient Egyptians believed that cats looked after them and kept them safe. They were also good pets because they cleaned themselves and kept the houses free of pests like rats and snakes. The rats didn't eat the grain because the cats ate the rats.

4

A visit to the museumartifacts - climate

Tamer and Tamara are at the museum and Mr. Tarek is their guide. They are excited to learn more about Ancient Egyptian artifacts. The hot, dry climate in Egypt helps to preserve artifacts. The ancient Egyptians built the pyramids with granite. They used clay to make pots. They used a lot of gold in Tutankhamun's tomb.

5

"The Boy Who Cried a Wolf"bored- ate

Peter lived in a village. He was a shepherd. He was lonely and bored. He wanted some fun, so he had an idea. First, he shouted "wolf"! The villagers came to help and save the sheep. Next, he laughed at them and said it was a joke. Then, he did it again. After that, the villagers were very angry. Finally, a real wolf came, and ate the sheep. Peter felt sorry.

**Bird migration**

migrate- large flocks of birds

Birds are amazing with their colorful feathers. They look for food and warm place to stay, so they migrate. Many birds migrate from Europe to Egypt in winter like eagles, falcons and swifts. Many water birds migrate, too. You can often see large flocks of birds such as falcons near water. Some of birds migrate for the first time, but they know how to get to the place they want to go. That's an awesome thing.

8

**Your favorite toy**

**skateboard - helmet**

When I was younger, my favorite toy was the skateboard. I loved going to the park and playing with my friends. They had skateboards, too and it was really good fun. We all wanted to go so fast! My skateboard was black, with orange and yellow stickers on it. I had to wear a helmet and knee pads. It really hurts if you fall off a skateboard, but it was fun.
