Near Aswan, you can see the temples of Abu Simbel. Outside the temples, there are some very big statues of Ramses II and his wife Nefertari. Twice a year, people celebrate the Abu Simbel Sun Festival there, on February 22nd and October 22nd. On these days, light from the sun at sunrise shines all the way inside the main temple, to the rooms inside. There are four statues inside the temple: those of Ramses, Ra, Amun and Ptah. The sunlight shines on all of them except Ptah. He is always in the dark.

A. Choose the correct answer from a, b, c or d:

I think Egypt is a great country to visit. You can visit the Pyramids of Giza, the Library of Alexandria, or the beautiful Temple of Hatshepsut in the Valley of the Kings. There are so many things to see. It's a fantastic place to have a holiday. You can take a boat trip down the Nile or go camping in the desert or you can go scuba diving in the Red Sea. The spring festival of Sham El-Nessim is my favorite festival. We have picnics in the park with our families and we eat special food. We paint and decorate eggs. It's fun! My favorite Egyptian dishes are the ones we eat at festival! We eat a delicious meal called Fatta at Eid Al-Adha and special cookies called kahk at Eid Al-Fitr !

1- Luxor

Luxor is a beautiful governorate. Many tourists visit Luxor from a River Nile cruise. They can see the Temple of Karnak and the Valley of the Kings. Ancient Egyptians buried their kings and queens here for thousands of years. You can see lots of paintings and engravings in the temples. There are lots of other amazing things to see in Egypt.

2- Egypt's heritage

A country's heritage is an important part of its identity. All countries have their own heritage and it comes from its history and traditions. Heritage includes art, buildings, and objects from the past, or things like food, music, and dancing. People in Ancient Egypt built many amazing temples and monuments, and this is an important part of our heritage. They also developed agriculture and some of the first calendars. Archaeologists have learned lots of interesting things about the civilization of Ancient Egypt by exploring historical sites at places like Abu Simbel, Luxor, and Giza.

3- Giza

Lots of people visit Egypt every year because of the amazing archaeological sites. Giza is a beautiful governorate. Sometimes when people think about Egypt, they think of the Pyramids and the Sphinx at Giza. They are famous all over the world. Archaeologists think that the Ancient Egyptians built the Sphinx to protect the Pyramids. They carved it from one huge piece of stone.

4- Statue of Amenhotep III

The statue of Amenhotep III, his wife Tiye and their three daughters, is the largest statue of a family group in Egypt. It is about 3,400 years old. It is made of limestone. It is 7 meters tall. It is 4.4 meters wide. It is from Luxor.

There are a lot of rules you should follow to share a story. You shouldn't write your story by hand. You should use a word processor or writing program, and try to touch type. You shouldn't have any spelling or grammar mistakes. You should check your spelling or you should ask an adult to check it for you. You shouldn't forget punctuation. You should check your work. You shouldn't work too long without a break or you'll feel tired. You should sit up straight with your feet on the floor.

A. Choose the correct answer from a, b, c or d.

1. The underlined word "forget" is the opposite of.....
 a. publish b. check c. remember d. advise
2. You should.....up straight with your feet on the floor.
 a. run b. walk c. sit d. sleep

B. Answer the following questions:

3. What is the text about?

4. There are many rules that help you share your story. Mention two.

5. What will happen if you work without a break?

1- Means of communication

A presentation and website are means of communication. A presentation is a way to share information with others. When you give a presentation, you share information about something or explain something by talking about it. A website is a home page on the World Wide Web. Websites are usually about one topic. Users can access websites from different electronic devices like smartphones, tablets, and laptops.

2- A new social media account

Nermeen has a new social media account. Her older brother Ali helped her to set up her account. She wants to be a wildlife photographer when she grows up. So, she posts photos of flowers, trees, birds and animals on her account. Nahla's account is private so only her friends and family can see it. Her friends like her photos and they always write nice comments about them.

3- Air pollution

Air pollution is one of the biggest problems for people's health. Air pollution is created by airplanes, traffic, factories, and power plants. When we burn fossil fuels and use strong cleaning chemicals to clean our houses, we create pollution. However, there are some new and exciting ways to solve the problem of air pollution. We have learned about scrubbers and smog free towers that help to clean gases and pollution produced by factories and industry. Greening is growing a wall of plants on the side of a building.
