Listening Text 1

Heba was shopping yesterday. She went to the butcher's. She bought a kilo of meat. She paid the butcher 400 pounds. She went to the greengrocer's. She bought tomatoes and carrots. She paid forty pounds for the tomatoes and sixty pounds for the carrots. At last, she went to the bakery and bought bread for twenty pounds. She walked home at twelve o'clock.

Listening Text 2

This week at school, we're talking about digital habits. I thought about how, when, and how often I use digital technology and I realized that my digital habits are quite good. For example, I never watch video or look at my phone for too long in the evening. I usually read a book in the hour before I go to bed instead to give my eyes a rest from looking at a screen.

1.

We should try to make the world a greener place. One way is by planting trees. They give us fresh air and are good for the environment. There are many ways to spread the idea of planting trees. First, you can tell your friends and family about the benefits of trees. You can share pictures and facts about trees on social media to reach more people. Another way is to join or organize tree-planting events in your community. You can also encourage schools to have tree-planting activities. Giving small gifts like small trees to others is a nice idea to spread the message.

AI, or artificial intelligence, helps us in many ways every day. It is in phones, cars, and even smart home devices. AI can help us find answers quickly, talk to voice assistants, and suggest songs or movies we might like. It helps doctors, teachers, and workers do their jobs better and faster. AI can also help keep us safe online. But we must use it wisely. AI is becoming a big part of our lives and will keep growing.
