A nice place you visited.

Egypt has many famous and interesting museums. There are new and ancient museums in Egypt, but I prefer the ancient ones. I visited the Textile Museum in Cairo. I liked it very much. You can see many works of art there. The museum has lots of clothes from different times in history.

I thought the clothes from Ancient Egypt were fantastic. You can know a lot of information about life in the past from the statues there. My favourite thing was the Islamic area, where you can see different kinds of calligraphy. I took a lot of photos there. I really enjoyed my time. It was a fantastic visit.
