1. The underlined word "They" refers to
a. telephones b. machines c. computers d. instructions
2. Doctors use computers to their patients.
a. discourage b. examine c. kill d. hate

Answer the following questions:

1. Why are computers important?
.....

2. Where can computers can be used?
.....

3. Do you think computers are necessary in learning? Why / Why not?

.....

Today, many children use digital technology every day. They play games on phones, watch videos on tablets, and talk to friends online. These digital habits can be fun, but they also have effects. Some children spend too much time on screens and forget to play outside or read books. Twenty years ago, children had different habits. They played in the street, rode bikes, and talked face to face. Their free time was more active and social. Now, many children stay indoors and use technology for fun. It is important to balance digital habits with healthy activities. Parents and teachers should help children use technology in a smart way, so they grow up strong, happy, and connected to real life.

Choose the correct answer from a, b, c or d:

1. What is the main idea of the text?
- a. children b. digital c. technology d. tablets
2. In the past, children could
- a. play games online b. watch videos c. play in the street d. spend time on screens.

Answer the following questions:

1. What does the underlined pronoun "They" refer to?

.....

2. How should teachers help children use technology?

.....

3. What does the underlined word "indoors" mean?

.....

4. Summarize the text on your own words.

.....

Baher is a 15-year-old boy. He loves technology. He thinks he can't live without technology. Last week, there was a problem in his street with electricity. He couldn't use any of his digital devices, so he was nervous and sad. He used to check his smartphone, text his friends and watch videos online using them. He spent his day reading a book, talking to his family and doing exercises at home. Baher noticed that he depended on technology to do everything, but he learned an important lesson: technology is useful for us, but we can live without it!

Answer the following questions:

1. What is the main idea of the text?

.....

2. What does the underlined pronoun "them" refer to?

.....

3. What do you think of technology?

.....

5. How did Baher spend his day without technology?

.....

Every morning, I wake up and check my phone. I read the news, reply to messages, and check social media. After breakfast, I read an ebook for 15 minutes. Then, I connect my headphones and join my online class. Our smartboard helps me take notes, and my teachers send messages through our class website. Sometimes, I feel I use technology too much, but I also think it helps me learn faster and stay connected. Without my digital devices, my day would be very different.

Answer the following questions:

1. What is the main idea of the text?

.....

2. What does the underlined pronoun "it" refer to?

.....

3. Where does the teacher send messages for the class?

.....

4. How long does the writer read ebooks?

.....

Egypt has launched its first hybrid bus in Aswan. It runs on both electricity and diesel, helping reduce pollution and protect the environment. The bus was made by an Egyptian company and includes modern technology like smart navigation and quiet engines. It supports Egypt's Vision 2030 for clean, smart cities. Most parts are made locally, creating jobs. This bus is just the start of Egypt's journey to greener, smart transport.

Answer the following questions:

1. What energy does the hybrid bus use?

.....

2. What does the underlined pronoun "It" refer to?

.....

3. Give a suitable title to the passage.

.....

4. How can the hybrid bus project reduce pollution?

.....

5. Complete the following dialogues:

Dialogue 1: Laila and her dad are talking about a problem.
