B Answer the following questions:

- 3 What can they buy from the market?
.....
- 4 Who chooses a colorful necklace?
.....
- 5 How do workers make furniture?
.....

 **Writing**

5 Read and write the correct form of the word(s) between brackets:

4

- 1 (Does) Basel and Nader go to work by car?
2 You should (eats) healthy food.

6 Put the words in the correct order to make sentences:

2

- 1 ancient – Ahmed – to – likes – visit – sites.
.....
- 2 matters – Every – and – is – job – important.
.....

7 Punctuate the following:

4

- 1 i play basketball every week
.....
- 2 where do you live
.....

8 Write a text of SIXTY (60) words using the words below:

7

“A famous national park”

coral reefs – marine life

.....
.....
.....

Listening

1 Listen and write (T) True or (F) False:

2

- 1 Energy is something we all need every day. ()
- 2 It is good to leave the fridge door open for a long time. ()
- 3 Use solar power from Egypt's sunshine. ()
- 4 Driving a car is the best option for very short trips. ()

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 I bought a small pyramid as a from the gift shop.
a) painting b) color c) souvenir d) sport
- 2 In Egypt, people use like basil in cooking.
a) fruits b) herbs c) vegetables d) sweets
- 3 When the sun rise?
a) do b) does c) is d) are
- 4 they painting the wall right now?
a) Are b) Does c) Is d) Do

3 Read and complete the text with the words in the box:

2

kingfishers – important – desert – tilapia – flows

The Nile is the longest river in the world. It (1) through Egypt from south to north. Many animals live in and near the Nile. In the water, people can find fish like (2) Some birds, like (3), catch fish to eat. The Nile is very (4) for people, animals, and plants in Egypt.

4 Read the text and answer the questions:

7

I'm Ahmed. I wake up at 6:30 a.m., get dressed, and have breakfast. School starts at 7:30. We stand in line, salute the flag, and sing the national anthem. 2

- 1 The smell of bread is amazing.
a) baking b) buying c) taking d) eating
- 2 The High Dam sends to homes and hospitals.
a) floods b) electricity c) grains d) droughts
- 3 He speak loudly in the library.
a) can b) must c) shouldn't d) should
- 4 What are you at the moment?
a) did b) doing c) do d) does

3 Read and complete the text with the words in the box:

2

sunlight – Park – valuable – Cairo – improves

Egypt is a sunny country, making it ideal for solar energy. One major project is Benban Solar (1) near Aswan. The project is important because it saves money by using (2) instead of expensive fuel, protects the environment, and brings jobs to Upper Egypt. Although some workers need training, it helps them learn new skills and (3) local communities. Benban Solar Park is a smart and (4) project for Egypt.

4 Read the text and answer the questions:

7

The Nile, the world's longest river (6,650 km), flows through Egypt from south to north, bringing life. Many animals live there: Nile perch, tilapia, crocodiles, kingfishers, herons, and ducks. It is important for Egyptians. In the past, the river flooded, bringing good soil. Farmers used this to grow wheat and vegetables. Today, the Nile provides water for people and animals. People use the river to travel in boats. Ancient Egyptians thought the Nile was special; they built temples. Many people still depend on the Nile for jobs and food.

A Choose the correct answer from a, b, c, or d:

- 1 The Nile River is long.
a) 3,500 km b) 5,000 km c) 6,650 km d) 7,200 km
- 2 The underlined pronoun "It" refers to
a) the crocodile b) the Nile River c) the kingfisher d) the soil

B Answer the following questions:

- 3 Why is the Nile important for farmers?
.....
- 4 How do people travel in the river?
.....
- 5 Summarize the text in two sentences.
.....

 **Writing**

5 Read and write the correct form of the word(s) between brackets:

4

- 1 We didn't (went) to school yesterday.
- 2 The mechanic is (fixed) my dad's car in the garage.

6 Put the words in the correct order to make sentences:

2

- 1 are – Children – playing – outside – safely.
.....
- 2 work – Many – people – as – fishermen – or – farmers.
.....

7 Punctuate the following:

4

- 1 the rose didn't like the cactus at all
.....
- 2 what can tourists see inside the museum
.....

8 Write a text of SIXTY (60) words using the words below:

7

"Solving my community problems"

garbage – traffic

.....
.....
.....

Listening

1 Listen and write (T) True or (F) False:

2

- 1 The Egyptians built statues using granite. ()
- 2 Their jewelry was made from silver and glass. ()
- 3 They used papyrus as a material for writing. ()
- 4 Mummies were wrapped in a material called linen. ()

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 We use to get energy from the sun.
a) wind turbines b) greenhouses c) fridges d) solar panels
- 2 The water in the river.
a) flows b) walks c) flies d) sleeps
- 3 My children able to clean their room by themselves.
a) am b) is c) are d) be
- 4 You do your homework early.
a) must b) mustn't c) shouldn't d) have

2

protected – coral reefs – snorkel – rule – landscapes

Ras Mohamed is a famous national park in Egypt. It is known for its beautiful (1), colorful fish, and clear blue sea. People from all over the world visit Ras Mohamed to swim, (2), and dive. It is a (3) area, so people must take care of the land and animals. Ras Mohamed has peaceful (4) that make it a great place for nature lovers.

4 Read the text and answer the questions:

7

My name is Ahmed. I'm doing research about jobs that help our community. I want to make a list of jobs and what they do. I want to be a mechanic because I like fixing things. Ali wants to be a paramedic because it's a brave job and he will help save lives. Sara wants to be a water resources engineer to help people get clean water. One day, we can all do something to help our community. My uncle is a tailor. He makes clothes and fixes old ones. These jobs are different, but they all help people.

A Choose the correct answer from a, b, c, or d:

- 1 The general idea of the text is about
a) jobs b) cities c) friends d) clothes
- 2 Sara wants to help people get clean
a) food b) air c) water d) clothes

B Answer the following questions:

- 3 What is Ahmed doing?
.....
- 4 Why does Ali want to be a paramedic?
.....
- 5 What does a tailor do?
.....

 **Writing**

5 Read and write the correct form of the word(s) between brackets:

4

- 1 Amr (don't) go on vacation every year.
- 2 You must (stops) polluting the Earth.

6 Put the words in the correct order to make sentences:

2

- 1 care – must – take – environment – of – the – People.
.....
- 2 went – They – school – on – trip – a.
.....

7 Punctuate the following:

4

- 1 the project created thousands of jobs
.....
- 2 Is arabic your favorite subject
.....

8 Write a text of SIXTY (60) words using the words below:

7

“How clean energy helps the environment”

solar energy – pollution

.....
.....
.....

Listening

1 Listen and write (T) True or (F) False:

2

- 1 Salma's trip to Luxor was last weekend. ()
- 2 She traveled to Luxor with her school friends. ()
- 3 For lunch, Salma ate delicious pizza. ()
- 4 She bought souvenirs for her friends. ()

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 My sister likes eating fish like
a) herons b) tilapia c) crocodiles d) kingfishers
- 2 A is someone who catches fish.
a) farmer b) fisherman c) carpenter d) teacher
- 3 I the exhibition and it was amazing.
a) visited b) visit c) visiting d) visits
- 4 You shouldn't up too late.
a) stays b) stay c) stayed d) to stay

3 Read and complete the text with the words in the box:

2

overcrowded – education – sustainable – unhealthy – cable cars

Al Galala is a new city near the Red Sea. It helps people move away from big and (1) cities. There are comfortable hotels and clean beaches for visitors. From the (2), people can see a great view of the sea and mountains. The city is also a center for (3) and learning. Many families are moving to Al Galala to enjoy a better life. I'm Ahmed. I wake up at 6:30 a.m., get dressed, and have breakfast. School starts at 7:30. We stand in line, salute the flag, and sing the national anthem. Our lessons begin with Arabic, followed by math, English, and science. After a short break at 10:15, we eat snacks, play, and chat. Later, we study subjects like social studies, religion, or computer. I enjoy using the computer, but my favorite subject is P.E. School ends at 1:30. I go home, have lunch, rest a little, and then do my homework.

A Choose the correct answer from a, b, c, or d:

- 1 We stand in line and salute the
a) class b) school c) **flag** d) teacher
- 2 Ahmed does his homework school.
a) **after** b) before c) at d) with

B Answer the following questions:

- 3 When does the school start?
It starts at 7:30.
- 4 What subjects does Ahmed study at school?
He studies Arabic, math, English, science, social studies, religion, and computer.
- 5 When is the break?
It is at 10:15.

Writing

5 Read and write the correct form of the word(s) between brackets:

4

- 1 Mona didn't **sing** the birthday song in her party.
- 2 You **shouldn't** waste energy resources.

6 Put the words in the correct order to make sentences:

2

- 1 can't – **My** – sister – swim – little.
My little sister can't swim.
- 2 follow – **You** – must – signs – road – the.
You must follow the road signs.

7 Punctuate the following:

4

1 do children like ice cream

Do children like ice cream?

2 ola is watching a football match now

Ola is watching a football match now.

8 Write a text of SIXTY (60) words using the words below:

7

“Your daily routine”

study – sleep

My daily routine starts early. I wake up, have a healthy breakfast, and go to school. After school, I quickly finish my homework. Then, I spend some time with my family. In the evening, I study my lessons and read a book. I always try to sleep at a regular time. This helps me feel energetic for the next day.

Listening

1 Listen and write (T) True or (F) False:

2

Layla checks her weather app while eating breakfast. In Alexandria, her cousin Samir texts about rainy beaches. In Cairo, her brother plays football in sunny weather with his friends. Layla worries about her grandma and grandpa in Aswan, where the weather is very hot. Layla waters her balcony plants before school. It's a bit hot today. She drinks some water before leaving.

- 1 Layla looks at her weather app while eating breakfast. (T)
- 2 Samir texts about sunny beaches. (F)
- 3 Layla's brother is playing football in Cairo. (T)
- 4 In Aswan, it's very cold. (F)

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 The smell of bread is amazing.
a) **baking** b) buying c) taking d) eating
- 2 The High Dam sends to homes and hospitals.
a) floods b) **electricity** c) grains d) droughts
- 3 He speak loudly in the library.
a) can b) must c) **shouldn't** d) should
- 4 What are you at the moment?
a) did b) **doing** c) do d) does

3 Read and complete the text with the words in the box:

2

sunlight – Park – valuable – Cairo – improves

Egypt is a sunny country, making it ideal for solar energy. One major project is Benban Solar (1) **Park** near Aswan. The project is important because it saves money by using (2) **sunlight** instead of expensive fuel, protects the environment, and brings jobs to Upper Egypt. Although some workers need training, it helps them learn new skills and (3) **improves** local communities. Benban Solar Park is a smart and (4) **valuable** project for Egypt.

4 Read the text and answer the questions:

7

The Nile, the world's longest river (6,650 km), flows through Egypt from south to north, bringing life. Many animals live there: Nile perch, tilapia, crocodiles, kingfishers, herons, and ducks. It is important for Egyptians. In the past, the river flooded, bringing good soil. Farmers used this to grow wheat and vegetables. Today, the Nile provides water for people and animals. People use the river to travel in boats. Ancient Egyptians thought the Nile was special; they built temples. Many people still depend on the Nile for jobs and food.

A Choose the correct answer from a, b, c, or d:

- The Nile River is long.
a) 3,500 km b) 5,000 km c) 6,650 km d) 7,200 km
- The underlined pronoun "It" refers to
a) the crocodile b) the Nile River c) the kingfisher d) the soil

B Answer the following questions:

- Why is the Nile important for farmers?
Because it provides water and fertile soil.
- How do people travel in the river?
They travel in the river boats.
- Summarize the text in two sentences.
The Nile gives life to Egypt and supports many animals. It provides water for farming and helps people with food, jobs, and travel.

Writing

5 Read and write the correct form of the word(s) between brackets:

4

- We didn't go to school yesterday.
- The mechanic is fixing my dad's car in the garage.

6 Put the words in the correct order to make sentences:

2

- are – Children – playing – outside – safely.
Children are playing safely outside.
- work – Many – people – as – fishermen – or – farmers.
Many people work as fishermen or farmers.

7 Punctuate the following:

4

- 1 the rose didn't like the cactus at all
The rose didn't like the cactus at all.
- 2 what can tourists see inside the museum
What can tourists see inside the museum?

8 Write a text of SIXTY (60) words using the words below:

7

"Solving my community problems"

garbage – traffic

My community has a few problems that we should solve. We have a lot of garbage in the streets, so we must organize a clean-up day. We can bring some garbage bags to clean it. We also have bad traffic, especially in the morning. People should follow the road signs and avoid parking illegally. Solving these issues will make our neighborhood much better.

Listening

1 Listen and write (T) True or (F) False:

2

Ancient Egyptians used many materials. They used stone, clay, papyrus, linen, wood, and even gold. They built statues with granite and bricks. They made jewelry from gold and colored stones. They wrote on papyrus. They wrapped mummies in linen. Linen is made from flax. They made pots, jars, bricks, and small statues from clay. They decorated temples. These materials helped their culture survive. We still see them today.

- 1 The Egyptians built statues using granite. (T)
- 2 Their jewelry was made from silver and glass. (F)
- 3 They used papyrus as a material for writing. (T)
- 4 Mummies were wrapped in a material called linen. (T)

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 We use to get energy from the sun.
a) wind turbines b) greenhouses c) fridges d) **solar panels**
- 2 The water in the river.
a) **flows** b) walks c) flies d) sleeps
- 3 My children able to clean their room by themselves.
a) am b) is c) **are** d) be
- 4 You do your homework early.
a) **must** b) mustn't c) shouldn't d) have

3 Read and complete the text with the words in the box:

2

protected – coral reefs – snorkel – rule – landscapes

Ras Mohamed is a famous national park in Egypt. It is known for its beautiful (1) **coral reefs**, colorful fish, and clear blue sea. People from all over the world visit Ras Mohamed to swim, (2) **snorkel**, and dive. It is a (3) **protected** area, so people must take care of the land and animals. Ras Mohamed has peaceful (4) **landscapes** that make it a great place for nature lovers.

4 Read the text and answer the questions:

7

My name is Ahmed. I'm doing research about jobs that help our community. I want to make a list of jobs and what they do. I want to be a mechanic because I like fixing things. Ali wants to be a paramedic because it's a brave job and he will help save lives. Sara wants to be a water resources engineer to help people get clean water. One day, we can all do something to help our community. My uncle is a tailor. He makes clothes and fixes old ones. These jobs are different, but they all help people.

A Choose the correct answer from a, b, c, or d:

- The general idea of the text is about
a) **jobs** b) cities c) friends d) clothes
- Sara wants to help people get clean
a) food b) air c) **water** d) clothes

B Answer the following questions:

- What is Ahmed doing?
He is doing research about jobs that help his community.
- Why does Ali want to be a paramedic?
Because it's a brave job and he will help save lives.
- What does a tailor do?
He makes clothes and fixes old ones.

5 Read and write the correct form of the word(s) between brackets:

4

1 the project created thousands of jobs

The project created thousands of jobs.

2 Is arabic your favorite subject

Is Arabic your favorite subject?

8 Write a text of SIXTY (60) words using the words below:

7

“How clean energy helps the environment”

solar energy – pollution

Clean energy sources like solar energy are important for our planet. We can also use solar panels that generate clean electricity. Using renewable sources like solar power helps protect the Earth. This reduces air pollution and keeps the Earth healthier. It is a sustainable way to get power. We should all try to use more clean energy to protect the environment.

Listening

1 Listen and write (T) True or (F) False:

2

Last weekend, Salma visited Luxor with her family. They saw many ancient sites and took lots of photos. Salma loved the temples and statues. She bought souvenirs for her friends and ate delicious sandwiches for lunch. In the evening, they visit ancient sites near the area. It was a wonderful and unforgettable trip. They also enjoyed a relaxing boat ride on the Nile River. Salma hoped she could visit Luxor again in the future because she had such a great time.

Mangrove trees are near the beach.

2 did Ancient Egyptians use gold

Did Ancient Egyptians use gold?

8 Write a text of SIXTY (60) words using the words below:

7

“A trip to Ras Mohamed”

What is Ras Mohamed? – What did you do there?

I had an amazing trip to Ras Mohamed last month. It is a famous national park. We spent the day exploring the beautiful beaches and the sea. We went snorkeling and diving there to see the colorful coral reefs and marine life. It was a wonderful day. Ras Mohamed is a protected area, and I hope to visit it again soon to enjoy its beauty even more.
