Your daily routine

My name's Rahma. I'm thirteen years old. My daily routine is the same every day. I like getting up early, so I always get up at 6 in the morning. My mum always makes my breakfast. I always help her make it. Then I have a shower and put on my school uniform. I always go to school by bus with my friends Ali and Ahmed. Sometimes we listen to music. My parents work at the nearby hospital. They get home late, so I often help to make dinner. In the evening, I do my homework, read on the sofa, watch TV and text my friends. I always go to bed at 9.

A description of your bedroom

We have a big family house. I like it so much. I really like my bedroom. There is always lots of sunshine when I open the curtains. I like seeing the sunshine when I get up. My bed is under the windows. I have a big wardrobe in front of the bed. I put my clothes in it. There is also a sofa next to the window. I always read my favourite books on it. I put my things in a big chest of drawers. This is next to the door. I don't have a basin in my bedroom because the bathroom is next to my room. I have a big mirror. I always like to look at myself in it!

A job you like

We all agree that there are many interesting jobs. I think the doctor's job is the most important one. He or she helps us get better after being sick. I look forward to becoming a doctor one day to look after the sick and to try to find out the reason for that. He always looks after ill people and tries to find out why they are ill or what hurts them. If a doctor understands their illness, he gives them the right medicines to feel better. A good doctor usually makes sure that all people feel healthy. The nurse's job is as important as she helps doctors and patients. They are truly angels. We have to work hard to have the jobs of our dreams.

A trip to Al Azhar Park

My name is Salma. I live with my family in Cairo. My family and I always go on trips around Egypt. Once we went on a trip to Al Azhar Park. We left home early in the morning. It was sunny and we all felt active. We arrived at Al Azhar Park at 9 am. My mother and father sat under a tree. We had a delicious breakfast there. We visited the Umm Sultan Shaban Mosque. It was really amazing. We took wonderful photos there. My middle sister took selfies as usual. We got home at 6. It was a fantastic day and all of us felt happy.

A person that you are proud of (your hero)

In fact, everyone has someone who he or she is proud of. My mother is a person I am very proud of. When she was younger, she used to study very hard. She wanted to be a doctor. She used to work to help pay for her studies. In 2020, there was a health emergency. Many people were in hospital. I became ill, too. I was in hospital for two weeks. She helped me and other people in the hospital. She was always very kind. She is one of the most important doctors in Cairo. I am very proud of her!

A description of a historic place you visited

It was our family's first trip to Luxor and Aswan. We flew to Luxor first. We began our tour with our guide named Ola. She made us feel happy and we visited all the places there. Ola was a clever guide. She gave us information about the ancient Egyptian culture. In Luxor, we visited the Luxor Temple and the Karnak Temple. We bought tickets for the Sound and Light Show at the Karnak at night. It was amazing. In Aswan, we visited many wonderful places. We visited the High Dam, the Philae Temple and the Aswan Museum. I recommend this trip for my friends.

Random acts of kindness

It's important to do random acts of kindness. The smallest things can make others smile. I think that if you do something kind to someone, they will take that act of kindness and move it to people they come across during their day. It's the smallest things that make the biggest differences. For example, holding the door for someone who has their hands full or smiling at a stranger as they pass by, these little things let people know that someone cares about them. Today, before you go to bed, do a random act of kindness. It can be to someone you know or someone who is a complete stranger, but it has to be random. Someday you will receive a random act of kindness in return.

Climate change

Climate change means the change in the world's climate and temperature. Climate change is causing different kinds of unusual acts in the world's climate. It is the most discussed topic at the moment all over the world. There are many causes for climate change. Firstly, global warming is the main reason for it. Secondly, environment pollution is the main reason for climate change. Thirdly, cutting down trees is another cause of the problem. Climate change causes rise in temperature, floods, drought and ice melting which will seriously affect farming and all living things. We should reduce the bad results of climate change. Planting trees can reduce global warming. We should stop using bad chemicals which can reduce environmental pollution.

Subject	: What you and your family usually do in the holidays

Dear

I'm very happy to write to you. How are you and your family? I hope you are well. We all agree that holidays are very important in our life. They give us a chance to have some rest. They also help us to renew our life and have some fun. As for my family, we don't get up early in the holidays. We do a lot of things in the holidays. We usually go to Alexandria and enjoy the sea and the beach. We like going to the Nile. We sometimes go to the park in Alexandria. We play there and enjoy the fresh air. We also visit our grandparents in Fayoum. I love holidays very much. See you soon.

Yours
