# November Revision

هدية كتاب Step Ahead لطلاب الصف السادس بالإجابات النموذجية

مراجعة شهر نوفمبر استعدادًا لامتحان شهر نوفمبر على (3-4) Units

## Revision on Unit (3)

### 1 Choose the correct answer:

1. A paramedic's main role is to provide care during a/an (meeting - holiday - emergency - class).
2. If you enjoy designing roads and bridges, you might want to be a/an (mechanic - tailor - traffic officer - engineer).
3. The term "precious" is best used to describe resources like (plastic - clean water - traffic signs - old clothes).
4. A tailor has the ability to (make clothes - fix engines - control traffic - rescue people).
5. Someone who is responsible for keeping a natural resource safe is doing research to help the (movie industry - sports team - school play - community).
6. Because of the accident, the police had to control the very heavy (garbage - traffic - ability - permission).
7. It is dangerous to ignore the stop (sign - problem - ability - emergency).
8. We need to work quickly, not slowly, because this is a real (sign - emergency - problem - permission).
9. My older brother is a/an (architect - tailor - mechanic - doctor); he designs new hospitals.
10. If you feel (embarrassed - proud - happy - sad), you might hide your face.
11. The bird began to (bark - peck - sparkled - bray) at the small bowl of milk.
12. The scientists received a big (award - lecture - precious - ability) for their important research.
13. He is only three, so he (are able - can - can't - will) tie his own shoes yet.
14. I felt extremely (proud - sad - angry - weak) when I received an award for my drawing.
15. A (flower - cactus - rose - tree) is a plant that usually grows in dry places and doesn't need much water.
16. The sun (sparkles - wants - pecks - wears) brightly in the morning.

17. Studying nanoscience involves working with very (brilliant - daily - huge - tiny) materials.
18. Understanding the causes of a problem helps us find the right (details - rules - types - solutions)
19. The effects of air (heroes - meals - pollution - awards) can be serious for our health.
20. Scientists do (support - research - leftovers - exercises) to find new solutions.
21. My sister is a (tailor - sign - entrance - vehicle). She makes clothes.
22. We must use water wisely. It is (huge - public - precious - dry).

### 2 Read and complete the text with the words in the box:

traffic - architect - embarrass - garbage - politely

My school organized a community clean-up day. Our main goal was to collect the ① ..... that people had thrown carelessly onto the streets. We needed to finish quickly because heavy ② ..... was expected around noon. We asked people ③ ..... not to litter and to use the bins. No one wanted to ④ ..... the neighborhood by leaving it dirty. It felt great to help improve our shared public space!

### 3 Read and complete the text with the words in the box:

architect - paramedic - engineer - mechanic - tailor

When building the new school, different jobs are needed. First, the ① ..... carefully draws the plans for the structure, ensuring it is safe. Later, a ② ..... supervises the installation of the building. In the future, if a school bus breaks down, a ③ ..... will be needed to fix the engine quickly. And in the event of any emergency, a ④ ..... would be the first to arrive, ready to help the people in need.

### 4 Read and complete the text with the words in the box:

achievements - leftover - award - food bank - great

Our local hero is Mr. Adel. He received a/an ① ..... for his daily work helping the community. He had an interesting idea to collect ② ..... food and deliver meals to those in need. This reduced food waste and had a ③ ..... effect on many families. He was very proud of his ④ .....

### 5 Read the text and answer the questions:

Teamwork is the key to a healthy community. Many professionals use their special ability and skills to help others. For example, when a car breaks down, a mechanic is needed to fix the engine. If there is an accident, a paramedic responds to the emergency. For daily life to run smoothly, a traffic officer must control vehicles, and people must drive slowly and respect the rules. Everyone's effort is a crucial achievement for the community.

### A Choose the correct answer from a, b, c, or d:

- The main idea of the text is .....
  - Fixing cars is the most important job.
  - Accidents are common in the community.
  - Teamwork and different jobs are key to a healthy community.
  - Driving slowly is the only way to be safe.
- A ..... would respond to an emergency.
  - mechanic
  - paramedic
  - traffic officer
  - tailor

### B Answer the following questions:

- Why is the mechanic's job important?  
▶ .....
- What word in the text means a difficult situation that needs immediate attention?  
▶ .....
- Give a suitable title for the text.  
▶ .....

### 6 Read the text and answer the questions:

Keeping our environment **clean** is necessary for all living things. Littering is a major issue; dropping rubbish on the ground makes our streets dirty. We can use recycling bins to separate paper, plastic, and glass. Also, using reusable bags instead of plastic ones helps keep waste down. If everyone takes care of their local area, the whole world will be a better place. Taking small steps every day makes a big difference.

### A Choose the correct answer from a, b, c, or d:

- The opposite of "**clean**" is .....  
a) new                      b) dirty                      c) empty                      d) nice
- Dropping rubbish on the ground is also called .....  
a) littering                      b) recycling                      c) caring                      d) bins

### B Answer the following questions:

- What can we use to separate different materials?  
▶ .....
- How can using reusable bags help the environment?  
▶ .....
- Give a suitable title for the text.  
▶ .....

### 7 Put the words in the correct order to make sentences:

- the - roads - **Who** - controls - the - cars - on?  
▶ .....?
- community - **Let's** - make - our - a - better - place.  
▶ .....
- the signs - help - the - community - hang - to - **We**.  
▶ .....
- dress - made - tailor - a - beautiful - **The**.  
▶ .....
- The** - officer - helped - old - woman - kindly - the  
▶ .....
- cactus - water - need - a - **Does** - much?  
▶ .....

7. Dr. El-Sayed - a - in - global- chemistry - expert - became.

8. hero - often - many - receives - A - awards.

9. bank - food - The - food - leftover - collects.

10. brave - is - A - paramedic - a very - person.

11. up - solutions - did - What - you - with - come?

12. delivery - is - job - of - a - What - person - the?

### 8 Read and use the word(s) between brackets:

1. My brother can lift that heavy suitcase. (able to) .....

2. The old car isn't able to drive very fast. (can't) .....

3. Are they able to visit us next week? (can) .....

4. I can smell something burning in the kitchen. (able to) .....

5. She can't find her way back to the main road. (able to) .....

6. The team is able to communicate in three different languages. (can) .....

7. Can the cat climb up that tall tree? (able to) .....

8. We are not able to watch that movie because it's too late. (can't) .....

9. He can speak French very well. (able to) .....

10. They are able to finish the race in under an hour. (can) .....

### 9 Punctuate the following sentences:

1. Can i donate food to the shelter

2. what does a paramedic do

3. I think adam is embarrassed

4. Yes I can bring some garbage bags

5. That s a great idea

6. we can t cross the road safely in the morning.

7. let s go to the park!

▶ .....  
8. What happened to menna on friday?

▶ .....  
9. in summer, the weather is usually hot

▶ .....  
10. Ali was born in may

▶ .....

10 Write a paragraph of (50) words using the following guiding elements:

### Jobs that help the community

Ideas to help you: paramedic - architect - street cleaner

.....  
.....  
.....

11 Write a paragraph of (50) words using the following guiding elements:

### Food waste

Ideas to help you: causes - effects - solutions

.....  
.....

20. Papyrus was used by ancient Egyptians to (write - grow - cook - sleep).
21. We must (learn - study - grow - check) our devices to see if they are working.
22. People (can't - should - shouldn't - have) use electricity wisely at homes.
23. Solar power is a smart choice because it does not (use wind - need people - pollute the air - need water).
24. Using clean energy helps slow down (climate change - time - car traffic - greenhouse effect).

**25.** Scientists do (**investigations** - **research** - **bricks** - **soil**) to learn more about man-made resources.

### 2 Read and complete the text with the words in the box:

linen - granite - gold - papyrus - clay

The ancient Egyptians used many amazing materials. They built big statues from ① ..... and made bricks of clay. For writing, they used ② ..... For clothes, they used ③ ....., a light material perfect for the hot weather. They also used ④ ..... and colored stones to make beautiful jewelry.

### 3 Read and complete the text with the words in the box:

electricity - pollution - panel - careful - fuel

Many people today use solar power at home to produce electricity. A solar ① ..... collects sunlight and changes it into energy. Using solar energy helps save ② ..... Saving energy protects the planet, reduces ③ ....., and keeps the environment clean. Everyone can help by being ④ ..... with energy use every day.

### 4 Read and complete the text with the words in the box:

resources - environment - oil - ground - gas

Egypt has many valuable resources. They include ① ....., rocks, and metals. Oil is found deep under the ② ....., especially in the Western Desert and Sinai. In addition to oil, Egypt has a lot of natural ③ ..... People use it for cooking and heating homes. These ④ ..... are very important for Egypt's economy and daily life.

### 5 Read the text and answer the questions:

We can all help protect our Earth. One of the easiest things we can do is to recycle paper and plastic bottles. When we recycle, it stops pollution from harming our air and water. This simple and nice change in our daily routines can save our environment. These small actions help keep our planet clean and safe, creating a better place for everyone to live. We must also remember to turn off the lights when we leave a room to save electricity. Saving energy is another way we show we are responsible for our shared planet.

### A Choose the correct answer from a, b, c, or d:

1. One of the easiest things we can do to help protect our Earth is .....
  - a) Driving electric cars
  - b) Recycling paper and plastic bottles
  - c) Saving endangered animals
  - d) Moving to a cleaner planet
2. When we recycle, we reduce .....
  - a) noise
  - b) people
  - c) pollution
  - d) weather

### B Answer the following questions:

3. Why we should make simple and nice changes in our daily routines?  
▶ .....
4. What should you do when we leave a room?  
▶ .....
5. Give a suitable title for the text  
▶ .....

### 6 Read the text and answer the questions:

To have a healthy plant, you need to give it a lot of water. It's also important to pull out all the weeds that try to grow around it. I grow different herbs in my garden. I give my plants special food called natural fertilizer to help them grow strong. This keeps my whole garden happy! I also make sure my plants get plenty of sunlight every day. Finally, checking the soil often helps me know exactly what my plants need.

### A Choose the correct answer from a, b, c, or d:

1. A healthy plant needs a lot of .....
  - a) weeds
  - b) water
  - c) sunlight
  - d) fertilizer
2. The special food that helps the plants grow strong is called .....
  - a) herb food
  - b) plant food
  - c) special water
  - d) natural fertilizer

### B Answer the following questions:

3. What is the main idea of the paragraph?  
▶ .....

4. What does the writer grow in their garden?

▶ .....

5. What two things should the writer check often to know exactly what the plants need?

▶ .....

### 7 Put the words in the correct order to make sentences:

1. Earth - all - can - to - protect - help - our - We.

▶ .....

2. grow - The - helps - sunlight - my - plants.

▶ .....

3. must - any - I - weeds - remove - harmful.

▶ .....

4. incredible - herbs - an - The - flavor.

▶ .....

5. High - Dam - The - floods - prevents - Egypt - in.

▶ .....

6. wisely - we - energy - use - Should?

▶ ..... ?

7. turn off - You - you leave - the - lights - should - when.

▶ .....

8. and - energy - is - for - Clean - future - nature - better.

▶ .....

9. energy - save - Many - people - solar - use - panels - to.

▶ .....

10. Egyptians - made - bricks - clay - of - Ancient.

▶ .....

11. energy - saving - does - help - the - How - planet?

▶ ..... ?

12. no - happens - there - when - is - rain - Drought?

▶ ..... ?

### 8 Read and write the correct form of the word(s) between brackets:

1. We must ..... (recycling) glass and plastic.
2. You mustn't ..... (throws) trash on the ground.
3. She (mustn't) ..... finish her homework before playing.
4. They mustn't ..... (were) rude to the teacher.
5. He must ..... (takes) his medicine every morning.
6. Must we ..... (told) the truth about the accident?
7. The students ..... (not use) their phones during the exam.
8. I must ..... (studying) hard for the upcoming test.
9. You ..... (not forget) to lock the door before you leave.
10. We must ..... (makes) sure the oven is off.

### 9 Punctuate the following sentences:

1. the Ancient egyptians used many materials.  
▶ .....
2. Where did nour see the mummy  
▶ .....
3. I think ahmed must study  
▶ .....
4. no I can't carry this.  
▶ .....
5. don't waste water  
▶ .....
6. You mustn t touch the hot stove  
▶ .....
7. should we use solar energy  
▶ .....
8. I love egypt because it has a rich history  
▶ .....
9. in winter, the weather is usually cold  
▶ .....
10. we play on monday at the school playground.  
▶ .....

### Mini Test (A)

#### 1 Choose the correct answer:

1. Ancient Egyptians used a plant called flax to make (linen - wool - cotton - wood).
2. If you enjoy designing roads and bridges, you might want to be a/an (tailor - engineer - paramedic - traffic officer).
3. We must use energy (endlessly - slowly - quickly - wisely) so we don't waste it.
4. A (flood - dam - drought - rainfall) means there is no rain for a long time.
5. Someone who is responsible for keeping a natural resource safe is doing research to help the (community - movie industry - sports team - class).
6. The table is made (from - of - in - on) wood.
7. The sun (sparkles - pecks - barks) sets brightly in the morning.
8. You (must - mustn't - should - can) talk loudly in the hospital.
9. Rubbish on the ground is also called (littering - recycling - caring - bin).
10. The word "precious" means (difficult - small - valuable).

#### 2 Read and complete the text with the words in the box:

mechanic - paramedic - tailor - officer - engineer

Many different jobs help the community. When your car breaks down, you need a ① ..... to fix the engine. A ② ..... is a person who can make beautiful clothes. A traffic ③ ..... controls the cars on the busy roads. A ④ ..... is usually the first person to arrive and give medical help in an emergency.

#### 3 Read the text and answer the questions:

A young Egyptian scientist, Dr. Amina, is using her ability to find new solutions for growing food in the desert. She uses solar energy to power her water pumps instead of oil. She also discovered a way to make natural fertilizer from local plants, which helps her save water. She believes every community member must do their part to protect the environment from climate change.

### Mini Test (B)

#### 1 Choose the correct answer:

1. Ancient Egyptians wore a small object around their neck for protection called a/an (**amulet** - mummy - temple - bracelet).
2. If you design buildings, your job is an (**tailor** - mechanic - architect - actor).
3. The word "ability" means you have the (**problem** - skill - traffic - question) to do something.
4. To get the most (**energy** - linen - pollution - time) from the sun, we use solar panels.
5. The soil in Egypt contains (**drought** - minerals - paper - fruits) that help plants grow.
6. You (**mustn't** - should - can - must) run across busy roads.
7. The glass bottle is made (**of** - in - from - at) sand.
8. The police had to control the heavy (**ability** - emergency - traffic - lights) after the accident.
9. He felt very (**sad** - proud - angry - unhappy) when he won the award.
10. We (**can't** - are able to - can - should) go outside because of the heavy rain.

#### 2 Put the words in the correct order to make sentences:

1. the - roads - **Who** - controls - the - cars - on?  
▶ ..... ?
2. community - **Let's** - make - our - a - better - place.  
▶ .....
3. cactus - water - need - a - **Does** - much?  
▶ .....
4. food - **The** - food - bank - collects - leftover.  
▶ .....
5. delivery - is - job - of - a - **What** - person - the?  
▶ ..... ?

#### 3 Read the text and answer the questions:

Our school started a project to save the environment. We installed solar panels on the roof to use less electricity. This helps our school reduce its pollution. Every class now has a recycling bin, and we all must remember to turn off the lights when we leave the room. These small changes help our community and slow down climate change.

### A Choose the correct answer from a, b, c, or d:

- The school installed solar panels on the .....  
 a) windows.      b) roof.      c) playground.      d) gate.
- The main reason the school installed solar panels was to use less .....  
 a) water.      b) electricity.      c) natural gas.      d) time.

### B Answer the following questions:

- What is one rule every class must follow to save energy?  
 ▶ .....
- What does the text say the small changes help to slow down?  
 ▶ .....
- Give a suitable title for the text.  
 ▶ .....

### 4 Read and write the correct form of the word(s) between brackets:

- You ..... (not make) noise after 9 PM.
- She is able to draw very well. .... (can)
- We must ..... (protecting) our natural resources.
- They can't finish the work today. .... (able to).
- Must we ..... (told) the teacher about the problem?

### 5 Punctuate the following sentences:

- my sister and i can help clean up the park.  
 ▶ .....
- What is your favorite resource in egypt  
 ▶ .....
- Dont forget to thank ahmed.  
 ▶ .....
- i think nour is a brave paramedic.  
 ▶ .....
- are you able to visit us on sunday?  
 ▶ .....

### Revision on Unit (3)

#### 1 Choose the correct answer:

- |              |                 |                |                 |
|--------------|-----------------|----------------|-----------------|
| 1. emergency | 2. engineer     | 3. clean water | 4. make clothes |
| 5. community | 6. traffic      | 7. sign        | 8. emergency    |
| 9. architect | 10. embarrassed | 11. peck       | 12. award       |
| 13. can't    | 14. proud       | 15. cactus     | 16. sparkles    |
| 17. tiny     | 18. solutions   | 19. pollution  | 20. research    |
| 21. tailor   | 22. precious    |                |                 |

#### 2 Read and complete the text with the words in the box:

- ① garbage      ② traffic      ③ politely      ④ embarrass

#### 3 Read and complete the text with the words in the box:

- ① architect      ② engineer      ③ mechanic      ④ paramedic

#### 4 Read and complete the text with the words in the box:

- ① award      ② leftover      ③ great      ④ achievements

#### 5 Read the text and answer the questions:

1. c)                      2. b)  
3. Because a mechanic is needed to fix the engine when a car breaks down.  
4. Emergency.  
5. Teamwork in the Community / Important Jobs.

#### 6 Read the text and answer the questions:

1. b)                      2. a)  
3. Recycling bins (to separate paper, plastic, and glass).  
4. It helps keep waste down / reduces waste.  
5. Keeping Our Environment Clean / Reduce Waste.

#### 7 Put the words in the correct order to make sentences:

1. Who controls the cars on the roads?
2. Let's make our community a better place.
3. We help the community to hang signs.
4. The tailor made a beautiful dress.
5. The officer kindly helped the old woman.
6. Does a cactus need much water?
7. Dr. El-Sayed became a global expert in chemistry.

8. A hero often receives many awards.
9. The food bank collects leftover food.
10. A paramedic is a very brave person.
11. What solutions did you come up with?
12. What is the job of a delivery person?

### 8 Read and write the correct form of the word(s) between brackets:

1. My brother is able to lift that heavy suitcase.
2. The old car can't drive very fast.
3. Can they visit us next week?
4. I am able to smell something burning in the kitchen.
5. She is not able to find her way back to the main road.
6. The team can communicate in three different languages.
7. Is the cat able to climb up that tall tree?
8. We can't watch that movie because it's too late.
9. He is able to speak French very well.
10. They can finish the race in under an hour.

### 9 Punctuate:

1. Can I donate food to the shelter?
2. What does a paramedic do?
3. I think Adam is embarrassed.
4. Yes, I can bring some garbage bags.
5. That's a great idea!
6. We can't cross the road safely in the morning.
7. Let's go to the park!
8. What happened to Menna on Friday?
9. In summer, the weather is usually hot.
10. Ali was born in May.

### 10 Write a paragraph of (50) words using the following guiding elements:

#### Jobs that help the community

Many jobs help our community every day. Paramedics are brave people who rush to help in an emergency, providing care. An architect designs safe and beautiful buildings, like our schools. The street cleaner makes sure our roads are clean by collecting all the garbage. Everyone's work is an important achievement for a healthy community.

11 Write a paragraph of (50) words using the following guiding elements:

### Food Waste

Food waste is a big problem that we must solve. The main cause is often people buying too much or leaving leftovers. The negative effects include harming the environment. A good solution is for the food bank to collect extra food and deliver meals to those in need. We must all try to waste less.

12 Write an email:

10 Write a paragraph of (50) words using the following guiding elements:

### Egypt's valuable resources

Egypt has many valuable natural resources that are important for the economy. Oil and natural gas are found deep under the ground and are used for power and heating homes. Egypt also has valuable metals like gold, which is used to make beautiful jewelry. Protecting these resources is vital for the country's future.

11 Write a paragraph of (50) words using the following guiding elements:

### Man-made resources

Man-made resources are materials that people create using natural resources. Plastic is made from oil. Glass is made from sand, and bricks are made from clay. These materials are very useful for building things like houses and windows. It's important to recycle man-made items like glass and plastic.

Subject: The Aswan High Dam

Hi Marwa,

I learned some amazing things about The High Dam today. It is very important because it helps control the Nile River and prevents floods in Egypt. It also produces a lot of electricity for the country. I think you should read about it too!

Yours  
Menna

## Test (A)

1 Choose the correct answer:
