Bound each to each by natural piety .

A- Paraphrase the above lines .

.....  
.....

B- Write the rhyme scheme of the poem.

.....  
.....

## IF

### Verse (1)

If you can keep your head when all about you  
Are losing theirs and blaming it on you,  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting too,  
If you can wait and not be tired of waiting,  
Or being lied about, don't deal in lies,  
Or being hated, don't give way to hating,  
And yet don't look too good nor walk too wise.

A- Paraphrase the above lines .

---

---

B- Pick out a figure of speech from the above lines.

---

---

### Verse (2)

If you can dream - and not make dreams your master;  
If you can think - and not make thoughts your aim,  
If you can meet with triumph and disaster,  
And treat those two imposters just the same,  
If you can bear to hear the truth you've spoken  
Twisted by knaves to make a trap for fools,  
Or watch the things you gave your life to broken ,

And stoop and build them up with worn out tools.

A-Paraphrase the above lines .

.....

.....

.....

B-Pick out a figure of speech from the above lines.

.....

.....

.....

## **Suggested Paragraphs**

### **1- The internet**

The internet is a very important invention. It plays an important role in our life. It makes our life easier. It makes the whole world as a small village. We can use the internet to call anyone at any place. Students use the internet to study their lessons. People use the internet to do their shopping. No one can live without it. We can log on the internet through the computer or the mobile. Many young people use it to communicate with each other and to play games.

### **2- Living in the city**

Living in the city is enjoyable. People prefer living in the city for many reasons; They can find jobs easily. They can go to places of amusements. They can go to the cinemas, parks etc. They can move from one place to another in a simple way. The movement in the city is faster than that of the country. People are busy. They have no time to enjoy their time. They spend most of their time in their work.

### **3- How can we keep our country clean and attractive?**

We should do our best to keep our country clean and attractive. We should put an end to the problem of pollution. People should drive their car less. We should recycle old things like glass, plastics, paper, etc. We should teach children how to save water. We need to help people to save water. We should plant more trees. We shouldn't throw rubbish in the street. We should punish those factories that throw their wastes in the Nile. Parents should teach their children to throw their rubbish in the

basket.

#### **4- The importance of practising sports**

No doubt that sports play an important role in our life. No one can live without practising it. Sports make our body healthy and strong. They are very useful. They keep us fit. I like football very much. It is my favourite sport. I practise it in the club. I usually go there in my free time. I play with my friends. Sports teach us cooperation and discipline. Sports make the whole world as a small village.

#### **5- My favourite hobby**

My favourite hobby is reading. It is a useful hobby. It is a good means to spend our free time. It increases our general knowledge. If we read daily newspapers and magazines, we will be aware of all the news of our country as well as the news of the world. The book is the true friend of man. We enjoy reading different kinds of books. We can never feel lonely as long as we have a book or a magazine in our hands. The newest way of reading is through e-books.

#### **6- A place you visited and never forget**

Last year I travelled to Luxor and Aswan. I went there by plane. I went with my friends. We stayed in a luxurious hotel. We stayed there for a week. I won't forget such a wonderful time I spent there. I took a lot of photos. I visited many museums and temples. I saw a lot of statues there. I enjoyed my time.

## **7-The new Administrative Capital City**

There are a lot of great projects in Egypt. We should be proud of these projects. One of them is the new Administrative Capital City. It is the most important project in Egypt. It has been carried out since 2015. The new city is 45 kilometres east of Cairo. According to the plans, the city will become the new administrative and financial capital of Egypt. It is thought to have a population of 6.5 million people. There will be skyscrapers in the new city. The Iconic Tower is a skyscraper under construction there. It will be the largest one in Africa.

## **8-Means of transport**

Transport means play an important role in our progress. Means of transport have been greatly developed in the last few years. The world has become a small village. In the past, people found difficulties in moving from place to another. This used to take much time and effort. Nowadays passengers can cover long distances in no time. Thanks to modern means of transport, travel has become easier, comfortable and enjoyable. Now cities are getting more and more crowded, so people look for modern means of transport to help them go here and there fast. Modern underground metro, planes and trains can help them save time and effort. Goods can be transported quickly to markets. Without these modern means of transport, we would face a lot of trouble.

## 9- My plans for the future

We all have our dreams which we hope will come true . I have many plans for the future. I want to go to university and become a doctor. I'd like to practise medicine for a few years. After that,I'd like to do research.I hope to investigate the causes of diseases like cancer or brain disease.I'd like to learn more and more about those diseases which make people suffer a lot. Therefore, I must study hard. I'd like to set up experiments and make things that can really help mankind I want to help people become happy. I hope my plans for the future will pay off.

## 10- The importance of libraries

Libraries are places where we can read or borrow books.We can spend useful time reading in the library.We can find many books there.The library is the best place where a person can look up information.In fact , it is a spring of knowledge which is never finished. It is the place where a person finds comfort and relief after the troubles and cares of life . In the library a person can find himself among books which are the best friends of man,through books in libraries we spend our spare time and increase our general knowledge.

## 11- Tourism

Tourism plays an important role in our life. It is the backbone of our economy.The government should do its best to encourage it. Tourism can provide many jobs for youth. We should attract tourists to our country . Tourism is the most important source of our national income.It can provide job opportunities for youth. It brings hard currency which is necessary for setting up a lot of projects.

I admire Mohamed Salah very much. He is one of the most prominent Arab and African players. He has won many awards. He won the African Player of the Year award. He was born in 1992 in Gharbia. He is very kind. He likes helping people. He donates much money to charities.

## **15- Pollution**

No one can deny that pollution is considered one of the worst problems nowadays in the whole world. It is very dangerous. It damages our health and environment. It causes a lot of diseases. We must face this problem carefully. It has a bad effect on us and our society. We must keep our country clean. There are many pictures of pollution. There are water, air

and noisy pollution. It harms our environment. It leads to many diseases .

### **16- Modern Technology**

Modern technology plays an important part in our life. All modern devices such as television, computers, mobiles, and others are based on the highest technology. Modern means of communications enable us to keep in touch with the latest events at any part of the world in no time by means of satellite or the internet. At the same time , the mobile is in hand. It is really a breakthrough in communication. In the field of medicine it is easy for surgeon to perform operations thanks to modern equipment .

### **17- Living in the countryside**

People prefer living in the countryside for many reasons. They can find easily a quiet place to live. They enjoy the nature and fresh air all the time without stress. They avoid noise and pollution that the city has. Living in the countryside is also a great experience to raise a healthy family. The air and the water are so clean. Living in the countryside is cheaper that it is in the city. The prices are lower.

### **18-Football**

Football is the most popular sport in the world. There are millions of football fans all over the world. It is my favourite hobby. I practise it in the club. I usually go there on Fridays. I play it with my friends. It is very interesting. I follow the English League. It is very exciting. My favourite team is Liverpool.

## 19- The mobile phone

In fact, the mobile phone is one of the most important inventions. However, it has some advantages and some disadvantages. First of all, we can start with its advantages. It enables people to contact each other easily at any time in any place. It is small enough to carry. It is useful for some people who work in remote areas such as engineers and businessmen. It is important for us in case of danger or troubles.

## 20- Travelling abroad

Travelling abroad is really interesting and important. Traveling abroad gives one a lot of information and experiences. When a person travel abroad, he finds different culture. He can learn a new language. People can exchange their experiences. When a person travels abroad, he enjoys visiting different places.
